**SAFER TRADE
IN YOUR POCKET**

coface
FOR SAFER TRADE

Find out more about
CofaMove
the Coface App to manage your customer and
supplier portfolio, within easy reach.

Download the App, now!

(Go to your App Store and type “CofaMove” into the search field. Download the App completely and afterwards please open it.
Log in with your usual Cofanet user-ID and password.)

Available on iPhone (iOS 7) and Android phones (V.4) and soon on tablet.

CofaMove is your new smartphone App for mobile access to Cofanet. CofaMove supports you with comprehensive information, wherever and whenever you want.

With CofaMove you are able to request for credit limit on the go. Especially when enquiring new customers, CofaMove is a very helpful tool as it supports you with a first risk-assessment of your potential client. CofaMove is particularly designed to manage your receivables and sales.

CofaMove:

- Identifying new buyers
- Searching worldwide for companies
- Request information - including DRA - about customers
- View your credit limits
- Request, change and cancel your credit limits

The Coface Group is a **global leader in credit insurance** and a recognised expert in commercial risk management. It provides businesses worldwide with solutions to protect them against the risk of client insolvency on their domestic and export markets.

Coface **4,440 employees** insure businesses from over more than **37,000 clients** in nearly **200 countries**. Working in close partnership, Coface advise companies at every stage of their development in order to anticipate and assess the risks involved, and help them take the right decisions.
